

**North Dakota Career & Technical Education Math-in-CTE Project
Principal Endorsement Form**

_____ has agreed to participate in the Math-in-CTE project. The purpose of the Math-in-CTE project is to provide professional development opportunities for career and technical education (CTE) teachers to team up with math teachers and develop math enhanced lessons to help high school students improve their math skills. This project will allow teachers from across North Dakota to become involved in the Math-in-CTE project. We ask you to sign this form to indicate that you are informed about the project and support the teacher's participation in the 2011-2012 academic year.

Time Commitment:

By agreeing to be in this project your teacher(s) will be expected to do the following things:

Participate in the following professional development activities:

- Dates: TBD, 3-day professional development session.
- Dates: TBD, 2-day professional development session.
- One or two professional development session(s) (via ITV).

Expenses:

All travel, lodging, and per diem necessary to attend the professional development sessions will be paid by the project. In addition your school will be reimbursed for substitute teacher costs incurred while your teacher attends the professional development sessions.

Contacts and Questions:

If you have questions, you may contact Ann Dietchman at adietchman@nd.gov; phone: (701) 328-3101.

Please retain a copy of this form to keep for your records. This agreement is due: **TBD.**

I have read the above information. I support the participation of the teacher indicated above in this study.
